mazda

ALL-NEW MAZDA CX-5

zoom-zoom

We explore cities and winding country roads.

Corners hugged and throttles revved.

Windows down, radio loud, no particular place to go.

Always forward, defying the wind.

I am the embodiment of Jinba Ittai.

You, the heart behind the wheel.

We were always meant to connect,

like a horse and rider,

car and driver as one.

Together, we are stronger.

We have a bond that words alone cannot describe.

We never drive alone.

We drive together.

Model shown is all-new Mazda CX-5 165ps 2WD Sport Nav Petrol with optional Soul Red Crystal Metallic paint available at additional cost.

Model shown is all-new Mazda CX-5 175ps AWD Sport Nav Diesel with optional Soul Red Crystal Metallic paint available at additional cost.

AWAKEN THE DRIVER IN YOU

When you drive a Mazda you never drive alone. The feeling of togetherness, which we call Jinba Ittai, runs deep in all-new Mazda CX-5. It features next-level, human-centric design, superior craftsmanship, and innovative SKYACTIV Technology that improves responsiveness, heightens driving pleasure and builds an enduring relationship between car and driver. It's the Mazda way.

DESIGN

Model shown is all-new Mazda CX-5 175ps AWD Sport Nav Diesel with optional Soul Red Crystal Metallic paint available at additional cost.

GRAB THE WHEEL

Mazda's stunning KODO: Soul of Motion design projects great beauty, sophistication and strength in all-new Mazda CX-5. Our designers combined these qualities to add refined toughness to the bold, premium-looking exterior. They created an elegant form that conveys a sense of agile acceleration and speed. The bold exterior design conveys a stunning sense of mature dignity and elegance whilst the interior ensures comfort for both driver and passenger with toughness that befits an SUV. With a sense of high quality from the exquisite finish, the interior is the result of careful refinement built on attention to each and every detail.

The craft of TAKUMI-NURI, Mazda's high-quality painting technology has been created with a three-layer structure designed to express exceptional texture that gives the impression of a hand painted concept car. It enables the exceptional vividness and depth achieved in our new Soul Red Crystal and Machine Grey Metallic paint options.

Inside and out, the car's design draws car and driver closer together than any previous CX-5.

Model shown is all-new Mazda CX-5 175ps AWD Sport Nav with optional Soul Red Crystal Metallic paint available at additional cost.

Model shown is all-new Mazda CX-5 175ps AWD Sport Nav Diesel with optional Soul Red Crystal Metallic paint available at additional cost.

A TRUE DRIVING EXPERIENCE

All-new Mazda CX-5 offers a unique, stylish and spirited driving experience. The bold exterior design with a stunning sense of mature dignity and elegance is complemented by the exquisite interior finish. All major controls in the cockpit wrap snugly around the driver in perfect symmetry offering a complete feeling of integration and openness that makes the all-new Mazda CX-5 a delight to drive. Inside and out, the car is built to unite car and driver as one.

TECHNOLOGY

BE IN CHARGE

Connectivity is key in all-new Mazda CX-5 and via a compatible mobile device you can access thousands of internet radio stations from around the world, safely check and reply to text messages, and even keep up to date with Facebook and Twitter*. Enjoy streaming your choice of music via a Bluetooth® connection. All of this is easily controlled using the 7" colour touch-screen display and the intuitive Multimedia Commander.

On Sport Nav models experience the innovative windscreen projected colour Active Driving Display (head-up display) which enhances safety by projecting all important driving information including turn-by-turn navigation, speed and traffic signs onto the windscreen, ensuring you can concentrate on enjoying the drive.

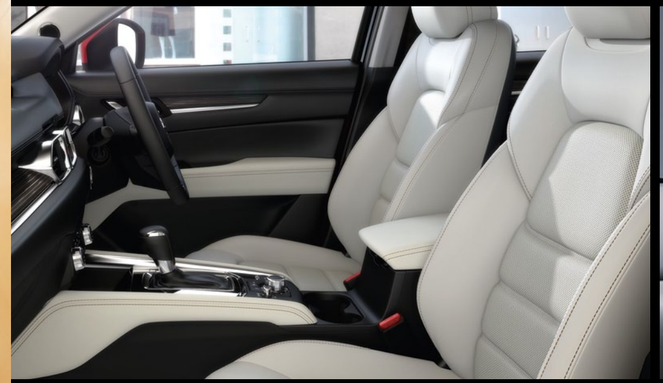
* With compatible mobile device. Data usage and costs will vary. For further information please refer to the infotainment specification table.

WINDSCREEN PROJECTED ACTIVE DRIVING DISPLAY (Sport Nav only)

An innovative and advanced system that cleverly projects essential driving information onto the windscreen in full colour.

POWER LIFTGATE (Sport Nav only)

Automatically open and close the boot with this useful power liftgate functionality.



EXQUISITE INTERIOR

With a sense of high quality from the exquisite finish, the interior is the result of careful refinement built on attention to each and every detail.

INTEGRATED NAVIGATION SYSTEM

Plan your journey quickly and easily with the integrated navigation system conveniently displayed through the 7" colour touch-screen display and Active Driving Display. Select your choice of routes from fastest, shortest and most economical and stay up-to-date with 3-years free map updates.

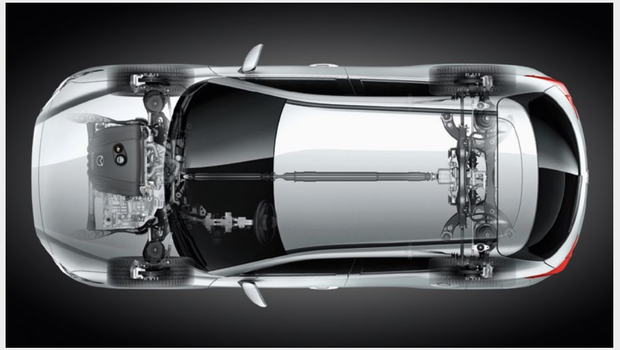
SKYACTIV TECHNOLOGY

SKYACTIV Technology is all about making driving more fun, embracing all elements - engines, transmissions, chassis and body - it's an approach that completely reimagines the car from the ground up. Coupled with innovative technologies such as Mazda's i-stop and i-ACTIV All Wheel Drive which uses 27 individual sensors to provide optimal torque distribution and vehicle control whenever needed, SKYACTIV Technology enables all-new Mazda CX-5 to deliver a unique mix of driving pleasure, balanced with outstanding environmental and safety performance.

SKYACTIV BODY AND CHASSIS Rigid and lightweight for greater ride comfort and security.
Model shown is all-new Mazda CX-5 175ps AWD Sport Nav Diesel with optional Soul Red Crystal Metallic paint available at additional cost.

NEW BENCHMARKS FOR PERFORMANCE
Choose from the impressive 165ps SKYACTIV-G petrol engine with superior responsiveness and driving pleasure or the equally impressive SKYACTIV-D diesel engines available with either 150ps or 175ps power output. Both diesel engines feature a two-stage turbocharger boosting low and mid-range torque for a smoother and more exhilarating acceleration experience.

MORE POWER TO YOUR WHEELS
Supporting driving pleasure, the six-speed SKYACTIV-Drive automatic transmission offers a precise and crisp shift, with a kick-down switch providing a smoother feeling of linear acceleration by preventing unwanted downshifting. The six-speed SKYACTIV-MT manual transmission is compact and lightweight in design, resulting in a shift feel reminiscent of the legendary Mazda MX-5.



PRECISE AND COMFORTABLE HANDLING
The lightweight SKYACTIV-CHASSIS offers the perfect balance of agility and stability with exceptional handling and ride comfort. Coupled with steering which responds predictably to driver input, it delivers that 'fun to drive' element you have come to expect from Mazda.

WHEN BODY MEETS SOUL
Outstanding crash protection is possible thanks to the SKYACTIV-BODY which utilises lightweight, high-tensile steel. The lightweight, ultra strong and highly rigid body also contributes to a more rewarding and responsive drive.

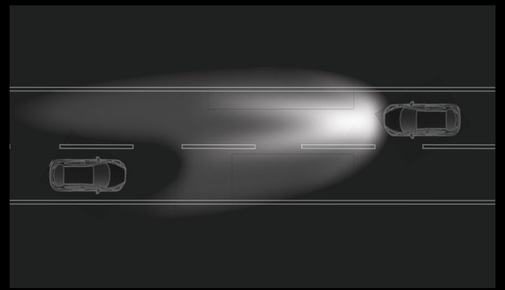
IT'S ALL ABOUT THE DRIVER

All-new Mazda CX-5 contains an array of intelligent safety technologies that are designed to help you connect with your car and enjoy the drive. This is thanks to the i-ACTIVSENSE technologies, an outstanding collection of safety features that use sensors and cameras to monitor your surroundings and provide protection and convenience.

ADVANCED SAFETY TECHNOLOGY

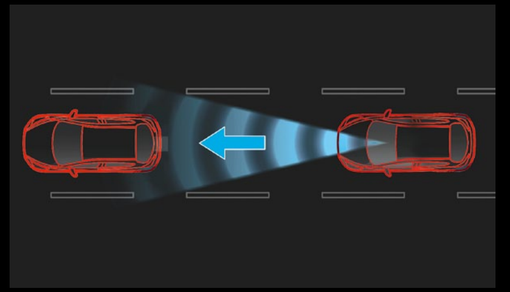
Engineered from the ground up to provide comprehensive all-round protection for you and your passengers, the active and passive safety systems in all-new Mazda CX-5 work together to warn you of impending dangers, meaning less chance of a collision.

Fitted with front, side and curtain airbags, combined with the rigid SUV body, each technology of the i-ACTIVSENSE system ensures you remain safe, without reducing comfort or the harmonious relationship between car and driver.



ADAPTIVE LED HEADLIGHTS*

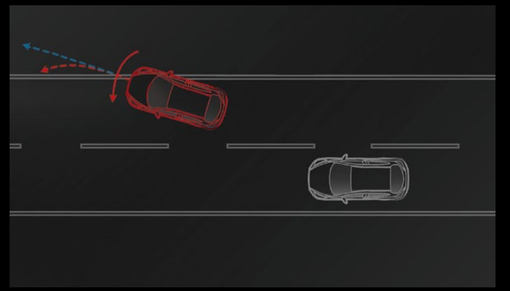
Designed to work at night, the system automatically analyses vehicles ahead or those approaching in the opposite direction, and automatically switches between high and low beams by switching individual LED bulbs on and off as necessary. This makes it possible to drive with the high beam on at all times, significantly improving visibility when driving at night, without dazzling drivers of other vehicles.



MAZDA RADAR CRUISE CONTROL STOP & GO FUNCTION

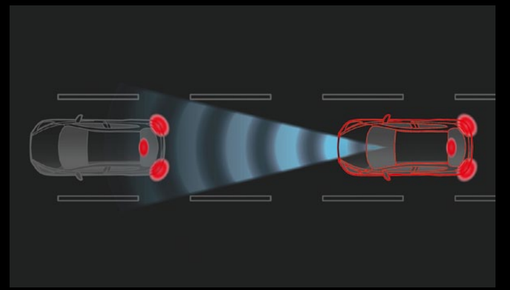
(Optional on selected 175ps Automatic models)

With the Mazda Radar Cruise Control (MRCC) turned on, vehicle speed is controlled automatically by accelerating or decelerating your car to maintain a safe driving distance from the car ahead. However, for the purpose of safety, resuming driving from a standing start is under the control of the driver.



LANE-KEEP ASSIST SYSTEM*

Lane-keep Assist is designed to prevent your vehicle from inadvertently straying from its lane. A front-view camera monitors the road ahead and calculates the car's position relative to the lane markings. If the system detects the vehicle is moving out of its lane unintentionally, the steering wheel will vibrate and an audible alert will sound, the system will also take corrective action to help you stay within the lanes through assisted steering.



ADVANCED SMART CITY BRAKE SUPPORT

Take the stress out of city driving with Advanced Smart City Brake Support. Designed to help avoid or minimise the effects of collisions at speeds up to approximately 31mph. The forward-facing camera and laser-based system continually monitors the gap and closing speed to the vehicle in front, and applies the brake if a collision is likely.

*Part of the optional Safety Pack available on Sport Nav Diesel models, at additional cost.

CHOICES

S E - L N A V *Mazda CX-5*

STANDARD FEATURES:

- 17" Alloy wheels
- LED headlights including LED daytime running lights
- LED front fog lights
- Adaptive Front lighting System
- Dusk-sensing lights
- Heated, auto power-folding door mirrors
- Front and rear parking sensors
- Black cloth seat trim
- Driver and front passenger seat height adjustment
- Rear seat recline
- Leather-wrapped steering wheel and gear knob
- 40/20/40 fold flat rear seats
- Electronic parking brake
- Rain-sensing front wipers
- Cruise control
- Front and rear electric windows
- Dual-zone climate control air-conditioning incl. 2 rear air vents
- Engine start / stop button
- 7" Colour touch-screen display and Multimedia Commander
- Internet app integration for internet radio, Facebook and Twitter*
- Integrated Bluetooth®
- AM / FM / DAB radio with 6 speakers, CD player, USB and iPod® connectivity
- Auxiliary (AUX) and 4 USB inputs (2 front and 2 rear)
- Steering wheel-mounted audio controls
- Integrated navigation system with 3-years free European map updates
- Advanced Smart City Brake Support
- Driver and passenger front, side and curtain airbags
- Dynamic Stability Control and Traction Control System
- Hill Hold Assist
- ISOFIX child seat anchorages

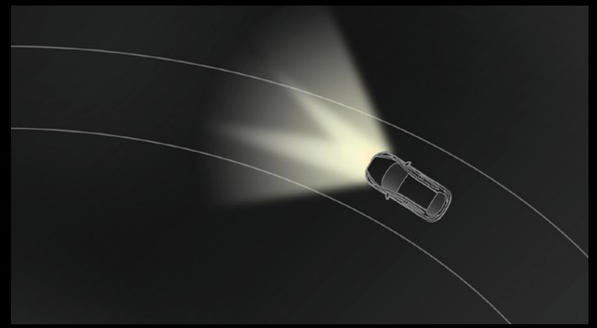
OPTIONS:

- Metallic / Mica / Pearlescent paint

*with compatible mobile device. Data usage and costs will vary.
For further information please refer to the infotainment specification table.

FRONT AND REAR PARKING SENSORS

Detects obstructions around the vehicle when manoeuvring or parking by sounding an audible warning.



ADAPTIVE FRONT LIGHTING SYSTEM

Increase visibility when driving at night with Adaptive Front Lighting System. The system adjusts the LED headlights of the Mazda CX-5 when cornering to illuminate more of the road ahead, which could increase your ability to react to any potential obstacles.

DUAL-ZONE CLIMATE CONTROL AIR-CONDITIONING

Ensures that both driver and passenger ride in comfort with individual climate control zones, so you can instantly set it just the way you like it.

7" COLOUR TOUCH-SCREEN DISPLAY

Places information and entertainment at your fingertips.

SPORT NAV *Mazda CX-5*

IN ADDITION TO SE-L NAV GRADE:

- 19" Gunmetal alloy wheels
- Reversing camera
- Power Liftgate
- Black leather seat trim
- 8-way power adjustable driver seat with memory
- 6-way power adjustable front passenger seat
- Power driver lumbar adjustment
- Heated front seats (3-stage settings)
- Heated steering wheel
- Windscreen projected colour Active Driving Display with memory
- Traffic Sign Recognition
- Smart keyless entry system
- Premium Bose® sound system with ten speakers
- Wiper de-icer
- Power tilt and slide sunroof (175ps only)

OPTIONS:

- Metallic / Mica / Pearlescent paint
- Stone leather seat trim
- Safety Pack (Adaptive LED headlights, Blind Spot Monitoring with Rear Cross Traffic Alert, Lane-keep Assist System and Rear Smart City Brake Support)*
- Mazda Radar Cruise Control**

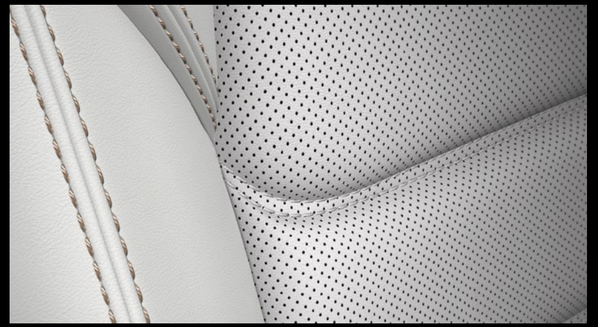
* Optional on Sport Nav Diesel models only
** Optional on 175ps Sport Nav Auto Diesel in conjunction with Safety Pack. Not available with Stone leather

POWER LIFTGATE

Automatically open and close the boot with the handy power liftgate functionality. You can easily open from inside the car, with the button on your smart key or directly via a button on the boot itself. There's also a sensor that will stop the boot moving if anything gets in its way.

WINDSCREEN PROJECTED ACTIVE DRIVING DISPLAY

The colour Active Driving Display projects essential information including speed, turn-by-turn navigation and traffic signs onto the windscreen, meaning you can focus on the road ahead whilst conveniently being kept updated on important information.



STONE LEATHER SEAT TRIM

Optional Stone leather trim adds an extra touch of distinctive beauty, sophistication and style to the interior.

PREMIUM BOSE® SOUND SYSTEM

The sensational Bose® sound system was specifically designed for CX-5, with 10 precisely positioned speakers that create clear, harmonic sound to keep you entertained as you drive.

OUR COMMITMENT TO YOU AND YOUR MAZDA

MY MAZDA APP

Designed exclusively for Mazda owners, it lets you access important vehicle information, as well as being able to locate your nearest Mazda dealer and track your vehicle service history.

SERVICE AND WARRANTIES

Just like the cars themselves, the services we offer are designed to provide you with a first-class ownership experience. Every new vehicle is covered by a 3-year warranty for up to 60,000 miles, including a 3-year paintwork warranty, and a 12-year perforation warranty. We also offer Extended Warranties to extend the cover for your Mazda. Mazda Roadside Assistance offers cover in the event you require breakdown assistance, your vehicle is stolen or is involved in an accident.

The maximum service interval for your Mazda is 12,500 miles or 12 months whichever occurs first, however, the servicing intervals may reduce based on the style of driving and the conditions under which your vehicle is operated.

FREE MAZDA ACCIDENT AFTERCARE

Mazda Accident Aftercare is designed to assist you following a road traffic accident. Call Mazda First after an accident and they will liaise directly with your insurer to process the claim and ensure that your vehicle is repaired at a Mazda approved bodyshop using only genuine Mazda parts, additional benefits include providing you with a free courtesy car and maintaining your Mazda warranties.

MAZDA CONTRACT HIRE

Mazda Financial Services Contract Hire offers low running costs with market-driven residual values, resulting in extremely competitive costs for businesses and individuals. To find out more about the benefits of Mazda Financial Services Contract Hire, please speak to your Mazda dealer or visit www.mazda.co.uk.

T&Cs apply. You can never own the vehicle. Finance subject to status. Guarantees may be required. 18s or over. Mazda Financial Services Contract Hire. RH1 1SR

FINANCE

As well as vehicle warranty and service plans, we offer finance packages to help ensure a rewarding ownership experience. Mazda Financial Services provides a variety of finance products to suit the needs of both private and business customers.

WHAT YOU CAN EXPECT FROM MAZDA FINANCIAL SERVICES:

- Assistance in renewing your car. We'll help you choose the right finance package to enable you to renew your Mazda car as often as you would ideally like
- Fixed Interest Rates. The interest rate on your loan is fixed for the duration of the agreement
- Flexible terms tailored to your motoring needs. As specialists in Mazda vehicles we aim to tailor a finance package to both your budget and your motoring / ownership needs

Please ask your sales executive for a tailor-made finance quote for your new car.

MAZDA FINANCIAL SERVICES FINANCE PLANS:

MAZDA CONDITIONAL SALE:

The traditional way of buying your car. Mazda Conditional Sale is a simple way of financing that provides you with certainty due to a fixed interest rate and fixed monthly repayments throughout the agreement. Your initial deposit and repayment period can be structured to help meet your budget and the length of time you expect to keep the car. You can trade in your existing vehicle and put this towards the initial deposit, or if you wish, just put down a cash deposit. At the end of your contract, when all repayments have been made, the car is yours.

OUR COMMITMENT TO YOU AND YOUR MAZDA

Mazda makes cars that excite, look beautiful, are fun to drive and make you want to drive them again and again. We are passionate about delivering complete motoring confidence and a first-rate ownership experience.

MAZDA PERSONAL CONTRACT PURCHASE:

The finance plan that helps you change your Mazda car at more regular intervals. Personal Contract Purchase is similar to a Conditional Sale agreement but with additional flexibility since part of the vehicle cost is deferred until the end of the agreement which may give you the benefit of lower monthly repayments.
The deferred amount is known as the Guaranteed Future Value or Optional Final Payment.
At the end of your contract, when all repayments have been made, you then have three options:

- Renew: Choose another Mazda. Use any excess value above the Optional Final Payment towards a deposit for another Mazda. You can trade in your car at any time or sell it privately having settled your account
- Retain: Keep the car. Simply pay the Optional Final Payment, and the car is yours
- Return your car: There's nothing more to pay if the car's in good condition and within the agreed mileage

For further information, please visit
http://www.mazda.co.uk/buying-owning/buying/ personal-finance/

Finance subject to status. Terms and conditions apply. You will not own the vehicle until all payments are made. 18s and over. Guarantee may be required.

CUSTOMER EXPERIENCE

Start your journey with Mazda using the Configurator on the Mazda website.
It lets you customise a digital vehicle, letting you choose from a selection of engines, trims, exterior colours and accessories. Discover the benefits of becoming part of the community that defies convention with My Mazda - the online home for all Mazda owners. The service lets you view and update your personal information using the Mazda Digital Service Record (DSR), which provides security against counterfeit service documents and guarantees a secure, accurate and permanent service history for the life of the vehicle. You can also explore Facebook, Twitter and YouTube for even more Mazda related material. Whatever journey you take with Mazda, we'll make sure it's a unique and gratifying experience.

SKYACTIV TECHNOLOGY - HELPING YOU STAY EFFICIENT

Although we develop exciting cars that are fun to drive, we are equally committed to the environment and to the creation of a sustainable future for all. Our ongoing sustainability programmes are dedicated to the development of clean technologies. Our SKYACTIV Technology range includes engines, transmissions, chassis and body designs, which deliver fuel-efficient and economical driving. Our engines deliver the perfect combination of performance and improved driving economy by being lighter and more fuel-efficient than many of our competitors.
